Subject: HQ folks I may want to call out for the Administrator

Importance: High

Folks, a couple of high priority areas we intend to highlight in SLT's short discussion with the Administrator tomorrow is the U&O FIP and the LCR and PFC work. Please let me know if there are any folks you think I should specifically mention (and/or thank for their assistance) when I talk about our coordination with various offices in HQ (OAQPS, OAR, OW, OGWDW, etc.). I need any names and where they work by no later than 9 am tomorrow.

Thanks!

D
